

AC21 International Graduate Summer School Keynote Speakers and Lecturers (tentative)

Keynote Speakers			
	Name	Institution	Fields of Specialty
May 31	<u>Ryoji Noyori (Nobel Laureate)</u>	Nagoya University	Organic Chemistry
June 1	<u>Takeshi Uchiyamada (Vice Chairman of the board, Toyota Motor Corporation)</u>	TOYOTA MOTOR CORPORATION	Automotive Engineering, Production Management
June 2	<u>Peeradet Tongumpai</u>	Agricultural Research Development Agency	Horticulture (fruit tree physiology)
June 3	<u>Gregory Parsons</u>	North Carolina State University	Nano-materials & Engineering
June 4	<u>Ruzhu Wang</u>	Shanghai Jiao Tong University	Adsorption Refrigeration, Green Building Energy Systems
Lecturers			
Sub-theme	Name	Institution	Fields of Specialty
Green Mobility and Energy	<u>Thomas Heiser</u>	University of Strasbourg	Physics of Organic Semiconductors and Devices
	<u>Kazuya Takeda</u>	Nagoya University	Human Behavior Signal Processing, Intelligent Informatics, Information and Communication Engineering
	<u>Alan Brent</u>	Stellenbosch University	Engineering Management, Technology Management
	<u>Ronghou Liu</u>	Shanghai Jiao Tong University	Biomass Energy Engineering
	<u>Xiaobing Luo</u>	Huazhong University of Science and Technology	Thermal Management on LED/IC Packaging, Energy Saving and Clean Energy
	<u>Bundhit Eua-arporn</u>	Chulalongkorn University	Electrical Engineering, Electrical Energy System
	<u>Ninnart Chaithirapinyo</u>	Toyota Motor Thailand (Graduate of Chulalongkorn University)	Automotive Engineering
	<u>Suparat Sirisuwanangkura</u>	Toyota Motor Thailand (Kasetsart Universities)	Automotive Engineering
Agricultural Sciences and Food Production	<u>Motoyuki Ashikari</u>	Nagoya University	Agriculture, Breeding Studies
	<u>Andi Trisyono</u>	University of Gadjah Mada	Entomology, Crop protection
	<u>Willem Botes</u>	Stellenbosch University	Agricultural Sciences (genetics)
	<u>Dan-feng Huang</u>	Shanghai Jiao Tong University	Horticultural Plant Physiology
	<u>Ed Sarobol</u>	Kasetsart University	Agronomy
	<u>Eric Marchioni</u>	University of Strasbourg	Food Chemistry, Analytical Chemistry, Process Control
	<u>William Hutchison</u>	University of Minnesota	Entomology
